Deer Placenta ∞ NAD+

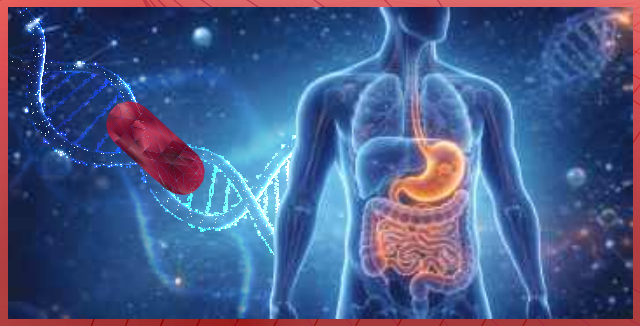

Dual-Core Empowerment Redefining Aging Process

Freeze-drying Technology

- Maximum Retention of Bioactivity
- Enhances Concentration Efficiency
- Maintain the original structure and nutrition

Enteric Coating (Beeswax Softgel)

- Avoids being destroyed by stomach acid
- Only decomposes after reaching the intestines
- Allowing the essence to be fully absorbed
- Beeswax has anti-aging, beautifying, antibacterial, and anti-inflammatory effects.

Dosage

2-4 capsules daily for the first 3 months
2 capsules daily for maintenance

Our Honors

Certification by International Authoritative Organizations

FREE from Hormone / Steroid / Microbial / Heavy metal

SGS 360 types of Steroid Test Report

ALS Safety Test Report | Good Manufacturing Practice (GMP) | Singapore HSA Import and Sale Certificate

Formula originated from :

DR PETER LERHKE

- Renowned Pharmaceutical Physician
- Chief Technical Official of PharmaNZ GMP
- Senior Management for well-known Pharmaceutical Companies

Deer Placenta

Awaken and repair cell structure

Upgraded Ver.7.0
Concentration 200:1
Deer Placenta Extract 100mg

Deer raised in New Zealand, one of the world's four "zero" pollution countries

High-efficacy deer placenta extract under pristine New Zealand strict quality control.

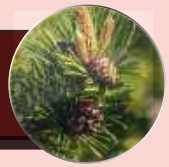

Can distinguish young or old cells, repair and stimulate aging cells, enable regeneration rapidly

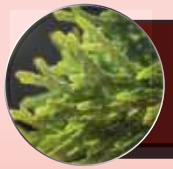

Effectively awaken stem cells, replicate and renew cells

- Highly concentrated, double the essence
- Fully preserved active ingredients, resulting to complete absorbtion
- Improved purity and stability

Product of New Zealand

Enzogenol 20mg
- Smaller Molecular, easier to absorb
- Rich in proanthocyanins • Protect cardiovascular health

Fucoidan 60mg
- Inhibition of tumor cell proliferation
- Counteract internal inflammation
- Inhibition of tumor micro angiogenesis

Xanthone 20mg
- Oxazolidinone help maintain gut health
- Prevention of cancer, pakinson disease, heart disease, and other chronic illnesses.

Resveratrol 5mg
- Immune-regulating, osteoporosis-preventing
- Prevention of prostate and breast cancer
- Prevention of ovarian cancer and endometritis

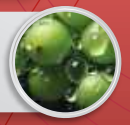

Glutathione 20mg
- Liver detoxification and regulates immune
- Antioxidants and improve skin tone
- Help improves sleep quality

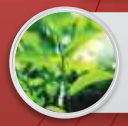

Hyaluronic Acid 50mg
- Deep moisturizes and retain moistures
- Relieves joint pain and benefits articular cartilage
- Repairs damaged tissue and accelerates healing

Grape Seed Extract 5mg
- Highly antioxidant, scavenges free radicals
- Anti inflammatory and anti-allergic
- Protects cardiovascular system

Green Tea Extract 10mg
- Helpslowering blood pressure
- Helps digestion and radiation protection
- Prevent cerebrovascular and cardiovascular diseases

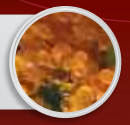

Vitamin E 5mg
- Improves lipid metabolism
- Improves cholesterol and high blood
- Improves diabetes and slows aging

Squalene 100mg
- Enhances human muscle tissue
- Improves heart function
- Improves Liver-protection

Lecithin 30mg
- Enhances memory
- Eliminates brain fatigue
- Prevents Alzheimer's disease

Grape Seed Oil 510mg
- Nourishes brain cells
- Prevents arteriosclerosist
- Prevents thrombosis and dilates blood vessels

NAD+ Activates the energy in life

(NAD+ 100mg)

NAD+ is an important coenzyme in all living cells, enable energy production & DNA repair. As we age, NAD+ levels naturally decline, making supplementation and activation of NAD+ a crucial approach to anti-aging.

Why choose deer placenta with NAD+?

Promotes:-
- DNA and cell repair, delaying aging
- Cell energy and regeneration
- Nutrient absorbtion and conversion
- Nervous system stability
- Muscle health, prevent physical degeneration
- Cardiovascular health and blood circulation
- Metabolism and balances blood sugar
- Bowel movements and digestive function
- Relieves fatigue, improving mental state
- Neural energy, enhance focus and cognition
- Neural energy, enhance focus and cognition
- Improves sleeping condition
- Boosts immunity, antioxidant
- Brightens skin tone, allow firm & radiant skin
- Male and female endocrine, physiological functions
